

# 2019 Sweet Summer Challenge

Here's a sweet little summer freebie. What's missing? The color key, of course! So here's the challenge...

Choose your own favorite colors and personalize your summer stitchery. You can choose colors to match our color graph or change everything and do your own summer thing. Choose your own fabric (crazy colors or neutrals), add buttons and embellishments, use some funky fibers...it's totally up to you.

When you're done stitching, take a quick picture and post it to our L\*K Fan Page – I Love Stitching Lizzie Kate Designs. If you're not already a member, now is the time to join this group. Just click on JOIN and you'll be approved soon. You will love this busy, creative Facebook group.

Then stay tuned as other stitchers post their personalized versions of Sweet Summer. Enjoy!
